The Master Hunter section includes information regarding the hunter Ed deferral option. It should read:

“The Master Hunter Permit Program benefits both hunter access and landowner relations. Master hunters can be used as a management tool to remove damage-causing game in sensitive situations. For the latest

information about the Master Hunter Permit Program, including requirements, open enrollment periods, how to apply, testing, volunteer opportunities, and more, please refer to the Master Hunter website at: wdfw.wa.gov/hunting/masterhunter.”
